Employee deduction means the portion of the normal cost of FERS coverage which is deducted from an employee's basic pay.

FERS means chapter 84 of title 5, United States Code.

Fund means the Civil Service Retirement and Disability Fund.

Normal cost percentage or *Normal cost* means the entryage normal cost of the provisions of FERS which relate to the Fund, computed by the Office in accordance with generally accepted actuarial practice and standards (using dynamic assumptions) and expressed as a level percentage of aggregate basic pay. Normal cost percentage or normal cost include both agency and employee contributions.

Social security means old age, survivors and disability insurance under section 3101(a) of the Internal Revenue Code of 1954.

§ 841.503 Amounts of employee deductions.

(a) Except as provided in paragraph (b) of this section, the rate of employee

deductions from basic pay for FERS coverage is seven percent of basic pay minus the percent of tax which is (or would be) in effect for the payment, for the employee cost of social security.

(b) The rate of employee deductions from basic pay for FERS coverage for a Member, law enforcement officer, firefighter, air traffic controller, Congressional employee, or employee under section 302 of the Central Intelligence Agency Act of 1964 for Certain Employees is seven and one-half percent of basic pay, minus the percent of tax which is (or would be) in effect for the payment, for the employee cost of social security.

(b) Each employing agency must withhold the appropriate amount of employee deductions from the basic pay paid each covered employee for each pay period. No employee deduction is due if an employee receives no basic pay for a pay period.

(d) When an employee separates, transfers to another agency or to a position serviced by another payroll office, or transfers to a position in which he or she is not covered by FERS, the agency must close the employee's individual retirement record and forward it to OPM within the time standards prescribed by OPM.

(e) An agency must maintain payroll systems and records in such manner as to permit accurate and timely reporting to OPM, in the manner prescribed by OPM.

(1) The number of hours that the employee was entitled to basic pay (whether in a duty or paid-leave status) in the 52-week work year immediately preceding the end of the last pay period in which the employee was in a pay status; and
